

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF LOUISIANA
MONROE DIVISION**

JOHNY JEUNE	*	CIVIL ACTION NO. 11-0903 Section P
VERSUS	*	JUDGE ROBERT G. JAMES
JOHN SMITH, WARDEN, ET AL.	*	MAG. JUDGE KAREN L. HAYES

REPORT AND RECOMMENDATION

Before the undersigned Magistrate Judge, on reference from the District Court pursuant to 28 U.S.C. § 636(b)(1)(B), is a “Motion to Dismiss” [doc. # 17] filed by respondent(s) in the instant *habeas corpus* proceeding. For reasons explained below, it is recommended that the motion to dismiss be GRANTED, and that the petition be DISMISSED, without prejudice, for lack of subject matter jurisdiction.

BACKGROUND

Johny Jeune filed the instant Petition for Writ of *Habeas Corpus* Under 28 U.S.C. § 2241 on June 14, 2011. (Doc. # 1). At the time of filing, petitioner was an immigration detainee in the custody of the Department of Homeland Security/Bureau of Immigration and Customs Enforcement (DHS/ICE). He was detained at the Tensas Parish Detention Center, Waterproof, Louisiana, awaiting removal to his native country. Relying on *Zadvydas v. Davis*, 533 U.S. 678, 121 S. Ct. 2491 (2001), petitioner argued that his continued detention in excess of six months violated his constitutional rights.

In light of the facts alleged by petitioner, the court ordered the government to respond to the petition. (August 26, 2011, Mem. Order [doc. # 5]). On September 20, 2011, the

government so complied. (Response [doc. # 11]). On November 16, 2011, the undersigned Magistrate Judge recommended that the matter be dismissed, finding that there was a significant likelihood that petitioner would be removed to his native country of Haiti in the reasonably foreseeable future. *See* Nov. 16, 2011, Report & Recommendation [doc. # 15]. Thereafter, the time periods for objections to the Report and Recommendation passed, but the matter had not yet been addressed by the District Judge.

Then on December 22, 2011, defendant Immigrations and Customs Enforcement (“ICE”) filed the instant motion to dismiss the habeas petition. (Mot. to Dismiss [doc. # 17]). The motion argues that the petition is now moot, since petitioner was released from ICE custody pursuant to an order of supervision on November 7, 2011. *Id.* In support of its motion, the government submitted a declaration by Brian Gueringer,¹ attesting to the fact that petitioner was released from ICE custody (Gueringer Decl.; Mot. to Dismiss, Gov.’t. Exh. A), as well as a record of petitioner’s Detention History (Detention History.; Mot. to Dismiss, Gov.’t. Exh. B). In light of the pending motion, the undersigned withdrew the previously issued Report and Recommendation. (Order [doc. # 20]).

The briefing deadline for the motion to dismiss has lapsed, but petitioner has not filed a response. Accordingly, the motion is deemed unopposed. (Notice of Motion Setting [doc. # 18]). The matter is now before the court.

LAW AND ANALYSIS

Mootness is a threshold jurisdictional inquiry. *Louisiana Environmental Action Network v. U.S. E.P.A.*, 382 F.3d 575, 580-81 (5th Cir. 2004) (citation omitted). If the parties resolve a dispute, or if the dispute disappears because of changed circumstances, then the matter becomes moot and a case or controversy no longer exists. *See LEAN, supra; Piggly Wiggly Clarksville,*

¹ Assistant Field Office Director for the Department of Homeland Security, ICE.

Inc. v. Mrs. Baird's Bakeries, 177 F.3d 380, 383 (5th Cir. 1999). “The case or controversy requirement of Article III of the Constitution requires a plaintiff to show that he and the defendants have adverse legal interests.” *Bauer v. Texas*, 341 F.3d 352, 359 (5th Cir. 2003) (citing *Aetna Life Ins. Co. v. Haworth*, 300 U.S. 227, 57 S. Ct. 461 (1937)). The court lacks jurisdiction when plaintiff fails to satisfy Article III’s “case or controversy” requirement. *Hosein v. Gonzales*, 452 F.3d 401, 403 (5th Cir. 2006).

It is axiomatic that federal courts are courts of limited jurisdiction. *Howery v. Allstate Ins. Co.*, 243 F.3d 912, 916 (5th Cir. 2001). The burden of establishing federal jurisdiction rests on the party invoking the federal forum. *Id.* A district court may assess subject matter jurisdiction based on “(1) the complaint alone; (2) the complaint supplemented by undisputed facts evidenced in the record; or (3) the complaint supplemented by undisputed facts plus the court’s resolution of disputed facts.” *Randall D. Wolcott, M.D., P.A. v. Sebelius*, 635 F.3d 757, 762 (5th Cir. 2011) (citations omitted). “A case is properly dismissed for lack of subject matter jurisdiction when the court lacks the statutory or constitutional power to adjudicate the case.” *Home Builders Ass’n of Miss., Inc. v. City of Madison*, 143 F.3d 1006, 1010 (5th Cir. 1998) (citation omitted). Lack of subject matter jurisdiction may be raised at any time. *Giles v. Nylcare Health Plans, Inc.*, 172 F.3d 332, 336 (5th Cir. 1999).

Here, the evidence before the court uniformly establishes that the petitioner no longer resides in respondents’ custody. Furthermore, because the only relief sought by petitioner was his immediate release from custody, the undersigned concludes that petitioner’s challenge to his post-removal-order detention is moot and does not present a justiciable case or controversy; therefore, the court lacks subject matter jurisdiction. In the absence of subject matter jurisdiction, dismissal is required. Fed. R. Civ. P. 12(b)(1). Accordingly,

IT IS RECOMMENDED that the motion to dismiss [doc. # 17] filed on behalf of

respondents be **GRANTED**, and that the Petition for Writ of *Habeas Corpus* be **DISMISSED**, without prejudice, for lack of subject matter jurisdiction. Fed. R. Civ. P. 12(b)(1).

Under the provisions of 28 U.S.C. § 636(b)(1)(c) and FRCP Rule 72(b), the parties have **fourteen (14) days** from service of this Report and Recommendation to file specific, written objections with the Clerk of Court. A party may respond to another party's objections within **fourteen (14) days** after being served with a copy thereof. A courtesy copy of any objection or response or request for extension of time shall be furnished to the District Judge at the time of filing. Timely objections will be considered by the District Judge before he makes a final ruling.

A PARTY'S FAILURE TO FILE WRITTEN OBJECTIONS TO THE PROPOSED FINDINGS, CONCLUSIONS AND RECOMMENDATIONS CONTAINED IN THIS REPORT WITHIN FOURTEEN (14) DAYS FROM THE DATE OF ITS SERVICE SHALL BAR AN AGGRIEVED PARTY, EXCEPT ON GROUNDS OF PLAIN ERROR, FROM ATTACKING ON APPEAL THE UNOBJECTED-TO PROPOSED FACTUAL FINDINGS AND LEGAL CONCLUSIONS ACCEPTED BY THE DISTRICT JUDGE.

THUS DONE AND SIGNED in chambers, at Monroe, Louisiana, this 18th day of January 2012.

A handwritten signature in black ink, appearing to read 'Karen L. Hayes', is written over a horizontal line.

KAREN L. HAYES
U. S. MAGISTRATE JUDGE
